Nougaro, ses mots c'est beau !

Les miens, je les cherche en vain.

Il a sa Toulouse, je la jalouse.

Où est la mienne, ce n'est pas Sienne

Aussi loin que je me souviens,

Point de terre ancienne ?

Il se rappelle l'écho de son Papa

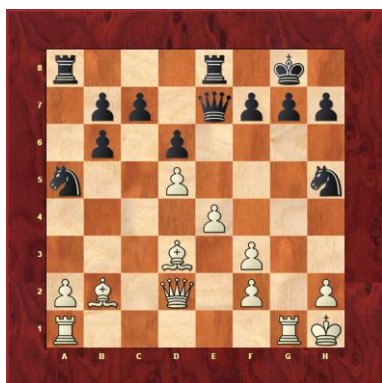

Comme les rires du mien aux éclats.

Entre deux terres, entre deux vies,

Entre deux rives à la dérive !

Nulle part à l'abri...
