Tu peux t'amuser encore à colorier les colonnes et rangées de la Tour.

The top-left diagram shows a chessboard with a white rook on c5. Cyan arrows point horizontally to a5 and g5, and vertically to c2 and c7. The top-right diagram shows the chessboard with the rook's path highlighted in a hatched pattern, including the entire c-file and the 5th rank. The bottom-left diagram shows the chessboard with the rook's path highlighted in a hatched pattern, including the entire 5th rank and the entire c-file. The bottom-right diagram shows the chessboard with the rook's path highlighted in a hatched pattern, including the entire c-file and the entire 5th rank.
