Le clouage absolu

Un clouage absolu est un clouage où le pion ou la pièce clouée ne peuvent absolument pas jouer par la présence du Roi qui serait échec si le pion ou pièce devaient jouer, ce qui constituerait un coup non pas faux mais illégal !

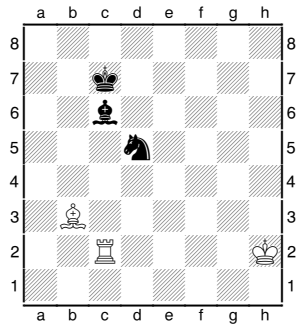

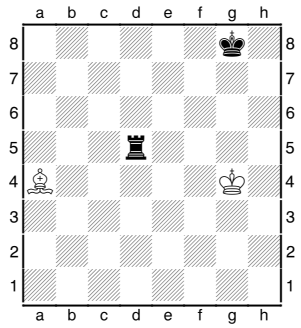

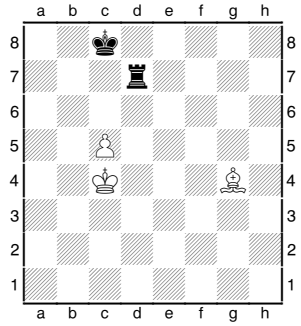

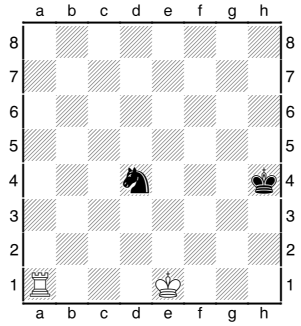

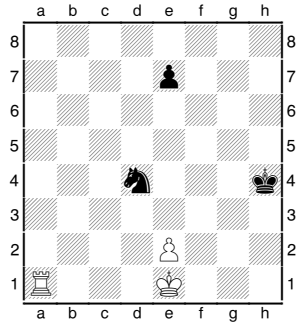

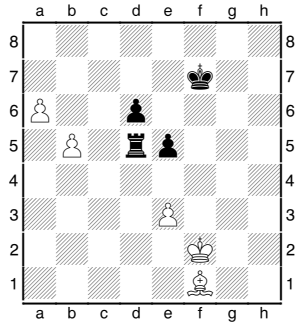

Les phrases clés

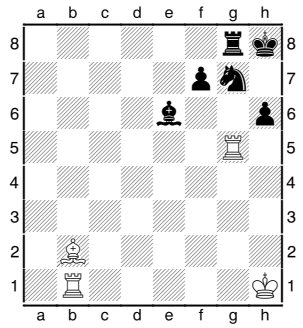

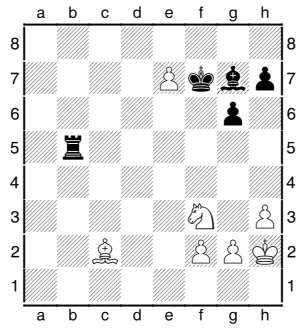

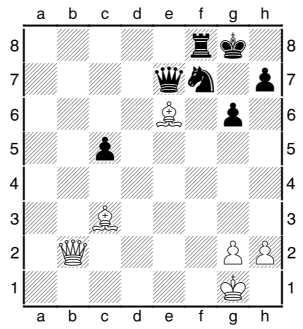

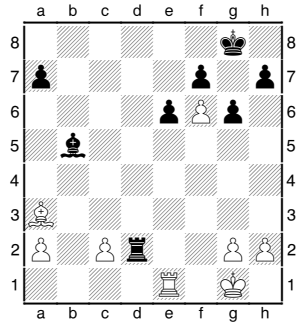

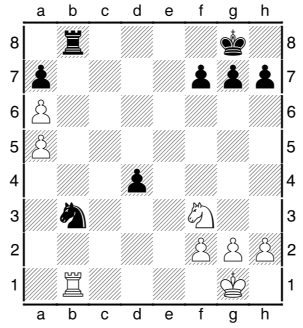

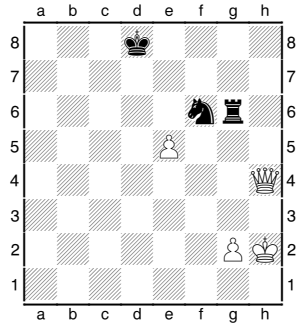

- Si le clouage n'existe pas provoquez le !
- Le plus souvent on ne prend pas le pion ou la pièce clouée, mais on remet de la pression sur ce pion ou pièce clouée !
- Sortir au plus tôt du clouage !
